Armen Yuri Gasparyan

Introduction

Dr. Armen Yuri Gasparyan holds MD diploma with honors in general medicine (1990-1997). He got his PhD for studies of heart involvement in inflammatory disorders (2002). In 1998-2003, he was a member of the World Bank Primary Health Care Group, where he developed evidence-based guidelines for general practitioners. In 2003 - 2008 - trainer of English-speaking medical students. He was awarded a title of Associate Professor of Medicine in 2006. In 2002 and 2008, he passed internships in internal medicine at the Barmherzige Bruder General Hospital, Medical University of Graz, Austria. He was recognized as a Fellow of European Society of Cardiology in 2010 (FESC) and a Member of the Academy of Medical Sciences of B&H (2011). Dr Gasparyan took research posts at the Haemostasis,Thrombosis and Vascular Biology Unit, University Department of Medicine, City Hospital NHS Trust, Birmingham, UK (2007-2008) and at the Departments of Rheumatology and Research & Development, Teaching Trust of The University of Birmingham, UK (from 2008 to now). In 2015, he was appointed member of Scopus Content Selection & Advisory Board. He currently deliveres lectures in rheumatology and science editing, drafts recommendations on editing, and works on vascular issues in inflammation (UK). He also consults several medical journals on issues of research integrity. Activities as a medical educator, researcher, and reviewer (The Lancet, Journal of the American College of Cardiology, Thrombosis Research, Atherosclerosis, Rheumatology [Oxford], Seminars in Arthritis & Rheumatism, Clinical Rheumatology, Current Pharmaceutical Design), Member of Editorial Boards (Thrombosis Research, Vascular Health and Risk Management, Current Vascular Pharmacology, Acta Informatica Medica, J Res Med Sci) were highly evaluated, which yielded membership of the World Association of Medical Editors (since 2008) and the European Association of Science Editors (since 2009; Council Member 2011-2015). He is the current co-Editor-in-Chief of Acta Informatica Medica, Associate Editor of Rheumatology International (Springer), Editing, Writing & Publishing and Rheumatology Sections Editor at J Korean Medical Science. He published more than 100 papers, 3 textbooks on internal medicine, a chapter in the Handbook for Science Editors; organized a series of seminars on rheumatology and multidisciplinary science communication in the UK, Greece, Turkey, Spain, Russia and Iran.
